Mission Statement

Gonzaga’s Intercollegiate Athletics
Mission Statement

In keeping with the University’s Missions Statement, the Department of Athletics seeks to initiate, stimulate and improve intercollegiate athletic programs for our student athletes and to promote educational leadership, physical fitness and recreational pursuits.

Department Philosophy

1. At Gonzaga, student-athletes will be provided with the opportunity and encouraged to progress toward a degree of their choice and the opportunity to develop athletic abilities in an environment consistent with the high standards of academic scholarship, sportsmanship, leadership, and institutional loyalty. The intercollegiate athlete representing Gonzaga will be a bona fide student pursuing a degree program, as well as being an amateur competitor. Gonzaga student-athletes are expected at all times to conduct themselves in a manner consistent with the University’s Mission Statement.

2. Further, it is recognized that a healthy, well-run intercollegiate athletic program:

   a. is an important part of a well-rounded University dedicated to the service of a broad range of student, faculty and public interests;

   b. can and should develop character, maturity and sense of fair play as well as athletic excellence and physical vigor;

   c. is important in engendering community support for the institution at legislative, state and local levels;

   d. fosters pride in the University among faculty, students and our community;

   e. generates revenues to support, at least in part, intercollegiate teams and athletes in those sports that are not financially self-sustaining;

   f. abides by the letter and the spirit of the law requiring nondiscrimination on the basis of sex, race, religion and national origin.

Athletic Facilities

**McCarthey Athletic Center** - Basketball
Completed in November 2004, the McCarthey Athletic Center houses the men's and women's basketball games, locker rooms, practice facility, and coaching offices. This new arena includes 6 concession stands, 6 luxury suites, LED video boards, a Club Room, 4 visiting team locker rooms, additional athletic administration offices, and practice facilities for the Gonzaga men's and women's crew teams. In addition to hosting basketball events, the McCarthey Athletic Center has the ability to host non-athletic events such as concerts, tournaments, banquets, meetings, and receptions. Gonzaga hosted the NCAA women’s first and second rounds in the McCarthey Athletic center from 2010-2013. During the summer of 2017, new Daktronics video boards and a state-of-the-art sound system were installed.

**Charlotte Y. Martin Centre** – Volleyball
The Martin Centre provides the Gonzaga community with more than 121,000 square feet of indoor recreational space. The complex includes a field house with eight racquetball/handball courts, indoor jogging track (1/11th of a mile), and three basketball/volleyball courts. The Pavilion also includes the Rudolf Fitness Center, a 25yd pool, an athlete weight room, training room, two basketball courts, a dance studio, locker rooms, and the Offices for the Athletic Department. This building is home for the Varsity volleyball team and hosts many outside events. During the summer of 2017, new Daktronics video boards and an updated sound system were installed.

**Luger Field** – Soccer
Men's and Women's soccer practice and play their home matches on this field. Set next to Lake Arthur and the popular Centennial Trail, this field has great scenery and lots of room to play. Field lights were installed to Luger Field and its adjacent practice field in the spring of 2016. During the summer of 2017, a new Daktronics video board was installed to replace the existing scoreboard.

**Patterson Baseball Complex & Steve Hertz Field** - Baseball
Completed in 2007, Patterson Baseball Complex and Washington Trust Field returned baseball to the Bulldog campus for the first time since 2003. The first game in the new, state-of-the-art lighted facility, was March 15, 2007, the first night game was played April 17, 2007, and the dedication game was played April 20, 2007. The complex is named after the family of Michael Patterson, current chairman of the Board of Trustees, while Pete Stanton and Washington Trust Bank in Spokane was also a major contributor to the project. During the fall of 2017, a new 16’ by 9’ Daktronics video wall was installed to replace the existing scoreboard.

**Gonzaga Boathouse** - Rowing
The Gonzaga University boathouse is located on the Spokane River nearly 4 miles from the Gonzaga campus. The boathouse serves as the primary home for Gonzaga rowing and stores all rowing shells. Gonzaga practices and races during the fall season at the boathouse which sits near the Upriver Dam and provides a scenic end to the 5,000 meter river course. The boathouse also provides three docks for crews to enter the water and an extensive outdoor stretching area. During the spring race season Gonzaga competes at the 2,000 meter Silver Lake course. Gonzaga also has an indoor rowing facility located on the lower level of the McCarthey Athletic Center.

**The Stevens Center** - Tennis and Golf
The Stevens Center, Gonzaga University’s new state-of-the-art indoor tennis and golf facility, opened in January 2014. This 72,000-square-foot facility includes six regulation tennis courts and a golf practice area with putting green, chipping area and four TrackMan simulators. Other prominent features include locker rooms, training rooms, team lounge, offices and balcony seating overlooking the tennis courts.

Gonzaga University Visiting Guide 12
**Women’s Basketball Team Information**

**Playing Site**
All matches are played on the campus of Gonzaga University in the McCarthey Athletic Center unless otherwise noted. The McCarthey Athletic Center is located on the Southeast corner of Gonzaga’s campus.
